Things to Put on a Hanger

Clothing

Hangers must be wire and the hook must open to the left, like a question mark.

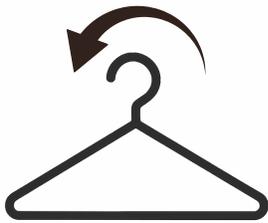

Pin pants up HIGH on the hanger. Shake the hanger, if it falls down, pin higher.

Bedding

All bedding should be on hangers.

Sheets/blankets/towels hang over lower bar and pin on sides.

Like a question mark!

Outfits

Put a shirt ON the hanger (hanger going through sleeves).

Then pin pants/skirt/shirt on back facing out.

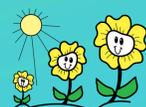

Safety pins must be larger than 1"

Slings/Baby Carriers/ Life Jackets/ Puddle Jumpers

Pin baby carriers, slings, boppy covers, nursing covers & shopping cart covers on a hanger.

Scan the QR code to watch videos on how to tag. This is **HIGHLY** recommended!!

Safety Tag Placement

Why Safety Tags?

Each item you bring to the sale **MUST** have a “safety tag” on it. This is simply a piece of masking tape with your consignor number on it.

“Why,” you ask? When price tags come off, (and they come off a LOT!) we have no way of knowing to whom the item belongs. With your safety tag on it, we can look it up on your inventory and **GET IT SOLD!**

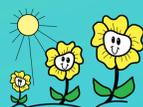

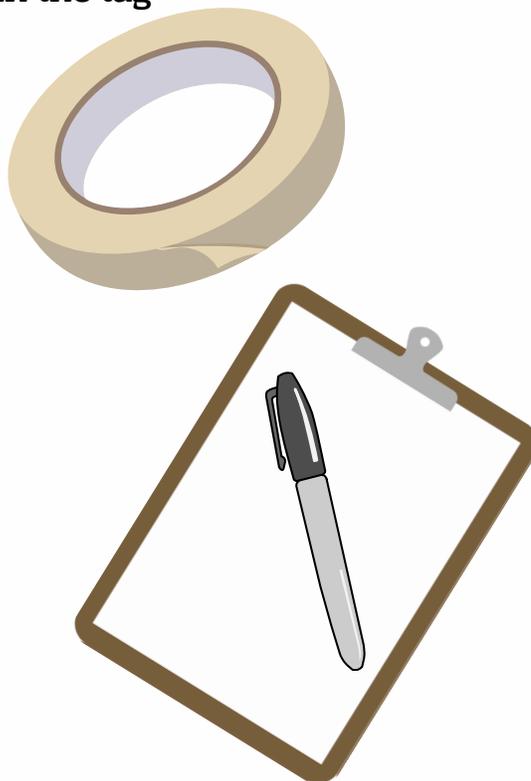

EACH piece of an outfit and every toy/game/shoe/book/etc. **MUST** have one.

Tips and Tricks

- Use masking tape
- Stretch out a long piece of tape on a clipboard or counter top
- Write your number over and over again, leaving space to cut or tear them apart
- Use a Sharpie or a dark pen to write you number
- This is a great thing to do while you are watching TV!

Where to put them

- Clothing: in the back of the clothing item near the manufacturer’s tag
- Toys/Games: right next to the price tag
- Books: on the spines of a set of books, or near the tag when you tape it on the book (preferably in the same spot on each book)
- Shoes: **INSIDE** on the insole of each shoe
- Bags of toys: on the outside of the **TAPED** bag
- Bedding/towels: near where you pin the tag

The Big Drop-Off!

Before You Drop off

- Do you have your agreement completed and signed?
- Do you have your inventory printed out (enlarged to make it easier to read) with your name and consignor number on the right hand edge?
- Are your clothes in size/gender order?
- Are your toys clean and have all parts and pieces and have working batteries, if needed?
- DO YOU HAVE SAFETY TAGS ON EACH ITEM?

If you answered "YES" to each of these, you are all ready to drop off!

Golden Ticket Eligible?

A golden ticket is given to consignors with at least 100 items who have everything prepared properly and have everything accepted.

No missing safety tags, no cleaning needed, clothes in size/gender order and hung correctly.

Receiving a golden ticket puts you in the running for **100%** of your sales! Start early and double check your items!

***Those with 25-99 items will be entered into a drawing to be refunded your consignor fee.
